

**Farm, Home, & Youth Foundation  
of Montgomery County**

A 501(c)(3) organization

We, the Farm, Home, & Youth Foundation of Montgomery County, are thrilled to announce our 4th Annual Car Show on Sunday, September 13th, 2026 from 10am-2pm. This event is a community favorite, bringing together car lovers and families while supporting a great cause.

The Car Show serves not only as an event for car enthusiasts but also as a crucial fundraiser for our foundation. Featuring cars of all makes and models, the event promises a diverse display that will delight attendees. In addition to admiring the vehicles, guests can participate in a gift basket raffle, adding an exciting element of chance to the day. There will also be a variety of food options available for purchase, making it a full-day experience for all. Our goal is to ensure that the funds raised go towards building renovations and maintenance, and allowing the 4H clubs to use these facilities free of charge.

We invite businesses and individuals to support us with **gift basket donations/ raffle items, or monetary contributions**. Your donation will greatly help the event's success, allowing us to offer fun activities and exciting prizes.

1. **Gift Baskets/Raffle Items:** These are a hit at our event and let your business showcase its products and services and add excitement to the day.
2. **Monetary Donations:** Any amount is appreciated and will support our initiatives.

This is a great chance to gain community visibility and support a worthy cause!

If you'd like to contribute, please contact us at 484-721-2559 or [manager@fhycomplex.org](mailto:manager@fhycomplex.org). We'd love to discuss your involvement. Contributions can be sent to or dropped off at the FHY Complex (1015 Bridge Rd. Collegeville, PA 19426) or scheduled to be picked up at your convenience.

Thank you for considering this opportunity to make a difference. Together, we can ensure a successful event that positively impacts our community.

Warm regards,

Richard Wojton  
Show Manager & Foundation Board Member
